Proficiencies for other awards

Thanks to everyone who has completed their proficiency for Bronze Medallion or Surf Rescue Certificate. This means we can meet our most basic requirements for the season. However, it's now time to think about the OTHER awards that you hold. If you have IRB driver/crew, Advanced Resus, Spinal Management, Defibrillation, Senior First Aid or other awards, NOW is the time to make contact with Rob McCue to find out about doing your proficiency for those awards (training@portmacquariesurfclub.com.au)

It is up to the individual to know which award they have and when they fall out of date and do either a refresher course or maintain their proficiency.
