## Fundraising news

Over the past month we've had some great success in fundraising. The following funds will be used towards some purchases prior to next season including five new 'soft' rescue boards, two waterproof radios, double ski for competition, IRB hull and IRB motor.

- The "boys" who do the weekly raffle at Finnians each Friday have been consistently raising **hundreds of dollars** – an income that helps sustain maintenance and other Club expenses. They'd appreciate help any time you can spare a couple of hours on Friday evenings – contact Jeff Polverino (0413 131 613)
- The Ocean Swim a couple of weeks ago was a great success. It raised **\$3500** and also raised the profile of the Club among some very high level athletes. Feedback on the day indicates that most competitors are keen to come back for next year's event.
- Not long ago the annual Black Tie and Bare Foot Ball was held. The recipients this year were the local Surf Life Saving Clubs. The donation made to PM SLSC was **\$7000** for which we are very grateful. Our thanks go to the small band of Club members who volunteered their time to help the BT&BF organisers with setting up and cleaning up.
- On Thursday immediately before the long weekend we were notified that we had permission to do a bucket drive at the donut. Despite the VERY short notice an intrepid band of members gave up time to rattle fund raising buckets on Sunday and Monday. In those two days they raised another **\$3518** for the Club.
- Tony Wright, Swim Director of the Ironman, extends his thanks to the 30 members who provided water safety for the event. In acknowledgement, the organisers donated **\$800** to the Club.

## Thanks to...
