2010-2011 season

The current season is drawing to a close. Last patrols are on ANZAC day – Monday 26th April. That means it's time to think about the new season and your role.

If you are a shift worker, can't commit to a listed patrol but want to accrue hours for competition eligibility, please contact me. We may be able to negotiate patrolling hours to meet the requirements.

All active, award and roving members, unless you let me know otherwise, I will assume you want to return to your current patrol. At this stage it looks as though we'll continue to have Saturday Surveillance plus eleven patrols (one more than this season). This will depend on how many more IRB drivers and crewpersons complete training between now and next season as well as the number of other award holders are available.

Grand opening raises \$800

The grand opening of Petstock Port Macquarie was a great success. Our volunteers who fed the happy crowd with barbecued sausage sandwiches raised \$800 – not bad for a sausage sizzle! Our thanks go to Petstock for providing this opportunity to raise our profile and some money at the same time.

Telstra offer - Telstra is an official sponsor of Surf Life Saving in Australia

For a limited time, new customers of Telstra who are family and friends of Telstra staff can connect to the \$39 Telstra Mobile Cap Plan that includes \$400 of eligible national calls and data each month.

See attached information.
