Nipper Mail

Date: 29th October 2010

Hi all,

Just a quick reminder about Nippers activities over the next couple of weeks.

Saturday 30 October: The venue for the Twilight has been changed. We will now be joining Tacking Point and Bonny Hills at Tacking Point beach. It will not be held at Flynn's Beach. Times are the same, so if you could please plan to arrive at around 2pm for a 2.30pm start.

Sunday 31 October: Beach Stomp, 3pm to 8pm. This is a family event, and kids get in free.

Sunday 7 November: The venue has been changed for the first and second Branch carnivals. In our calendar we had the first carnival held at Bonny Hills. This will now be at Hat Head. The carnival on Sunday December 5 will be held at Bonny Hills.

As you are talking with people this week from Nippers, if you could mention in particular the changes for this week (twilight at Tacking Point, not Port Macquarie) and next week (Branch carnival at Hat Head, not Bonny Hills) to help ensure that everyone gets the message, even if they don't get a chance to check their emails.

Beach Stomp

The Port Macquarie Surf Life Saving Club will launch its season this Sunday October 31st with an afternoon of beachy music at the clubhouse. The afternoon will run from 3-8pm, and music will be supplied by The Portside Four, The Loose Ends and The Roys. The Portside Four were regulars at the club every Sunday afternoon during the 1960s, so it will be quite a nostalgic event. The dress theme on the afternoon will be "simply beach".

Tickets are now on sale at \$15 per head, with the bar open on the day. Tickets can be purchased at Petstock Lake Rd, Bells Furniture One Lake Rd, Innervision Surf Shop William St, The Independent Newspaper Office William St, and Port Macquarie First National Horton St.

This event will be a fundraiser for the club, with raffles and possibly an auction as well. It will be open to both the club members and the general public, so tickets will need to be bought quickly as we are anticipating a full house. It will be a fantastic afternoon of fun, great music, and a moment to catch up with friends over a drink or two.

We need volunteers for some jobs during the event. I would love to hear from any of you willing to help out. If you let me know sooner rather than later it would greatly help with our planning.
Cheers... David Plews (Vice President)

Helpers Needed

We need a couple of helpers to assist with the BBQ on Sunday at the Beach Stomp. If you can assist it will be most appreciated. Obviously you will get to have the entertainment for free!!! We need about four people to help on the BBQ for a couple of hours. Please phone or email me if you are able to assist.

Rash shirts

Contrary to a message we sent out this morning, the complimentary rash shirts will not now be handed out to the kids until the Branch Carnival at Hat Head on 7 November. For those that aren't able to attend that carnival, the rash shirts will be handed out to you the following weekend. The delay in getting the rash shirts out to the kids has been beyond our control, and we appreciate your understanding.

Thanks!

Steve
