

SURF LIFE SAVING ONLINE

With the commencement of the 2009/10 season, SLSA have improved our systems to allow members of clubs to register and renew with their clubs online. This system enables club members to keep their own details up to date and to register and pay online for membership and other payment (Awards etc) for the new season and future seasons. This process will not only reduce the clubs workload but it also empowers all members by giving them control to update their personal details.
